A progress report on philanthropy of
the UC Santa Cruz Foundation, 2007–08

What a difference a year makes

ENTERING MY SECOND YEAR AS PRESIDENT, I'm astounded by the differences a year can make. Most notably, we saw the inauguration of Chancellor George Blumenthal, who honored UCSC's founders by reminding us that we were to become a "campus for the next century"—a campus of brilliant scholars dedicated to educating tomorrow's leaders and breaking new ground in their chosen research fields.

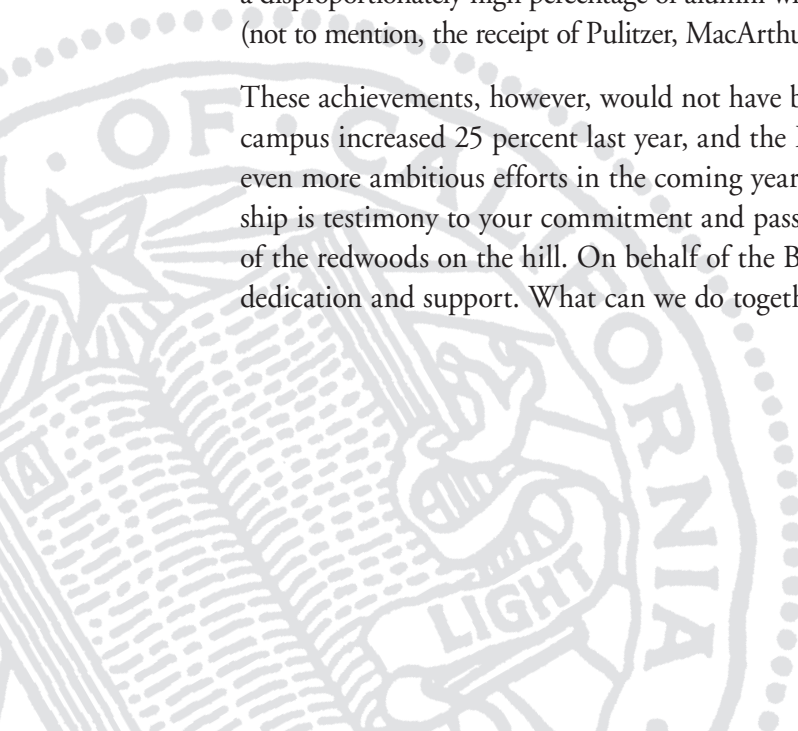

It is gratifying to see faculty, students, and staff embarking on bold programs to build the world's largest telescope, protect coastal and marine communities, bring health services to underserved populations, and develop storage technology to securely house increasingly complex data sets. True to the founders' vision, the continuing emphasis on undergraduate education leads to a disproportionately high percentage of alumni who pursue graduate and professional degrees (not to mention, the receipt of Pulitzer, MacArthur, and countless other awards).

These achievements, however, would not have been possible without your support. Gifts to the campus increased 25 percent last year, and the Foundation is rapidly mobilizing itself to launch even more ambitious efforts in the coming years. Supporting UCSC's unique brand of scholarship is testimony to your commitment and passion for seeking excellence amidst the beauty of the redwoods on the hill. On behalf of the Board, I cannot thank you enough for your dedication and support. What can we do together to make next year even better?

Private gifts making a difference

With over \$31.5 million in private contributions during 2007–08, your support helped make this the third-highest fundraising year in UCSC history.

College Endowments

(as of June 30, 2008)

UCSC's 10 colleges provide supportive living-learning communities within the larger university. The college endowments are an important source of funds for the colleges, supporting expanded core courses and special programs for students.

Honor Roll of Donors

University Benefactors

(pages 4–6) are individuals, foundations, businesses, and other organizations that have made cumulative contributions of \$50,000 or more over the history of the campus.

The **21st Century Club** (pages 6–7) acknowledges those who have made deferred gifts or provisions in their estates that will benefit UC Santa Cruz.

Alumni Contributors (those who attended UCSC for three or more quarters, pages 7–15) are listed by class year and giving society (see below). If listed with a spouse or partner, the UCSC alumnus/a of that class year is listed first. If both are alumni, the listings are followed by *.

Parent Contributors (pages 15–21)

Individual Contributors (donors who are not alumni or current parents, pages 21–29), are listed according to giving society.

Business, Foundation, and Organization Contributors (pages 30–31) and **Trusts** (page 31) are listed alphabetically.

UC Santa Cruz Foundation Trustees currently serving are indicated by †, and former trustees by ‡. **Faculty** are indicated by #, and staff by ◊. **Alumni** are indicated by *, and **Parents** by Δ. **Deceased donors** are indicated by (d).

Giving Societies recognize the generosity of our contributors and accord donor benefits at various levels. They are:

Annual Donor
(\$100 to \$999)

Chancellor's Circle
(\$1,000 to \$2,499)

Chancellor's Associates
(\$2,500 to \$4,999)

Silver Chancellor's Associates
(\$5,000 to \$9,999)

Gold Chancellor's Associates
(\$10,000 or more)

Between July 1, 2007, and June 30, 2008, more than 12,000 alumni, parents, individuals, and organizations supported UC Santa Cruz with gifts totaling \$31.6 million, an increase of 25 percent over the previous year. This Honor Roll of Donors acknowledges those contributors.

ANNUAL GIVING: CREATING PHILANTHROPIC COMMUNITY

Through UCSC's Annual Fund, donors provide crucial ongoing support for their favorite college, department, division, or program, or for the Chancellor's Fund for Excellence and Parents Fund, which help meet critical campus needs.

Annual Giving programs at UCSC raised \$2.37 million, including nearly \$560,000 from alumni and \$447,000 from parents. "We're especially thrilled to see parents stepping up to support the campus," says Adam Goduto, director of development for the Annual Fund. "They're an integral part of the UCSC community, and we've been working very hard to involve them in meaningful ways." Indeed, this year, UCSC instituted the Parents Council, which will provide parents with an opportunity to raise and direct funds for special projects benefiting students.

For information about supporting UCSC's Annual Fund or Colleges, contact Goduto at (831) 459-2489 or agoduto@ucsc.edu. To give online, go to review.ucsc.edu/giving.
