What a difference a year makes

Entering my second year as president, I’m astounded by the differences a year can make. Most notably, we saw the inauguration of Chancellor George Blumenthal, who honored UCSC’s founders by reminding us that we were to become a “campus for the next century”—a campus of brilliant scholars dedicated to educating tomorrow’s leaders and breaking new ground in their chosen research fields.

It is gratifying to see faculty, students, and staff embarking on bold programs to build the world’s largest telescope, protect coastal and marine communities, bring health services to underserved populations, and develop storage technology to securely house increasingly complex data sets. True to the founders’ vision, the continuing emphasis on undergraduate education leads to a disproportionately high percentage of alumni who pursue graduate and professional degrees (not to mention, the receipt of Pulitzer, MacArthur, and countless other awards).

These achievements, however, would not have been possible without your support. Gifts to the campus increased 25 percent last year, and the Foundation is rapidly mobilizing itself to launch even more ambitious efforts in the coming years. Supporting UCSC’s unique brand of scholarship is testimony to your commitment and passion for seeking excellence amidst the beauty of the redwoods on the hill. On behalf of the Board, I cannot thank you enough for your dedication and support. What can we do together to make next year even better?

Between July 1, 2007, and June 30, 2008, more than 12,000 alumni, parents, individuals, and organizations supported UC Santa Cruz with gifts totaling $31.6 million, an increase of 25 percent over the previous year. This Honor Roll of Donors acknowledges those contributors.

ANNUAL GIVING: CREATING PHILANTHROPIC COMMUNITY

Through UCSC’s Annual Fund, donors provide crucial ongoing support for their favorite college, department, division, or program, or for the Chancellor’s Fund for Excellence and Parents Fund, which help meet critical campus needs.

Annual Giving programs at UCSC raised $2.37 million, including nearly $560,000 from alumni and $447,000 from parents. “We’re especially thrilled to see parents stepping up to support the campus,” says Adam Goduto, director of development for the Annual Fund. “They’re an integral part of the UCSC community, and we’ve been working very hard to involve them in meaningful ways.” Indeed, this year, UCSC instituted the Parents Council, which will provide parents with an opportunity to raise and direct funds for special projects benefiting students.

For information about supporting UCSC’s Annual Fund or Colleges, contact Goduto at (831) 459-2489 or agoduto@ucsc.edu. To give online, go to review.ucsc.edu/giving.
